Joel E. Ferris Class of 1968
Photo Memory Book

A report from your reunion committee . . .

It is hard to believe that our 30th high school reunion is now just a memory . . . but what a memory it is! We all had such a good time Friday night at Harry O's recognizing classmates, bringing each other up to date on our lives, pulling out pictures of not only our children, but in some cases, grandchildren. Some people even brought pictures from our days at Ferris!

Saturday night was a fantastic evening at Cavanaugh's that began with a delicious International Buffet. There was plenty of food and variety for everyone. We would like to thank Randy Meaders again for giving such a sensitive memorial to our deceased classmates along with his invocation. Don Swanson did a terrific job as Master of Ceremonies of the program by keeping everyone on cue and in stitches. Awards were given for the various categories and all the presenters did a great job. It's a good thing that they hadn't been given any particular script because nothing could have matched their adlib! It was a program filled with participation and laughter.

After the program, the walls at Cavanaugh's were folded back so that now there was just one big room for Lewis and Clark '68, Ferris'68 and the dance floor in the center where we all enjoyed the music and entertainment of "Men in the Making". Finally, the reunion committee has received no complaints about the music . . . they really are the best! Having our reunion in conjunction with Lewis and Clark was such a success that we will undoubtedly consider doing it again next time.

And, finally, the committee would like to thank all of you for coming and supporting our 30th reunion. Without you, it would not have been possible. Our goal was for a fun and memorable reunion and we believe that we were successful. The comments we have received have certainly been enthusiastic! The raffle for the "Saxon Bear" that Jodi Johnson Watkins made was also successful. It was won at the end of the evening by Paul Landsverk after raising \$175.00 for the reunion fund. That money, along with the proceeds from the etched wine glasses that were sold and a couple of generous donations, was enough to replenish the fund to the level it was before the additional cost of "Men in the Making" and other reunion-related expenses. This fund is used for the sole purpose of providing the very best reunions possible and donations are always welcome. Comments and ideas are also welcome. Just call or send them to any committee member.

Do not stand at my grave and weep.
I am not there, I do not sleep.

I am a thousand winds that blow.
I am the diamond glint on snow.

I am the sunlight on ripened grain.
I am the gentle autumn rain.

When you awaken in the morning hush,
I am the swift uplifting rush

Of quiet birds in circled flight,
I am the soft stars that shine at night.

Do not stand at my grave and cry;
I am not there, I did not die.

Memories

We saw each other last some thirty years ago,
time flies fast as I'm sure we all do know.

I think of those days both good and bad for me,
kids we were then and now at heart for all eternity.

Parts of our past made us what we are today,
fond memories abound. as we watch our kids at play.

Sure we've changed, put on some weight and gray,
but deep down inside, small parts are still the same.

We grew up together, no one can erase those parts,
fond memories of teen-hood we'll carry in our hearts.

- A. Kirk, 1997

Famous Quotes

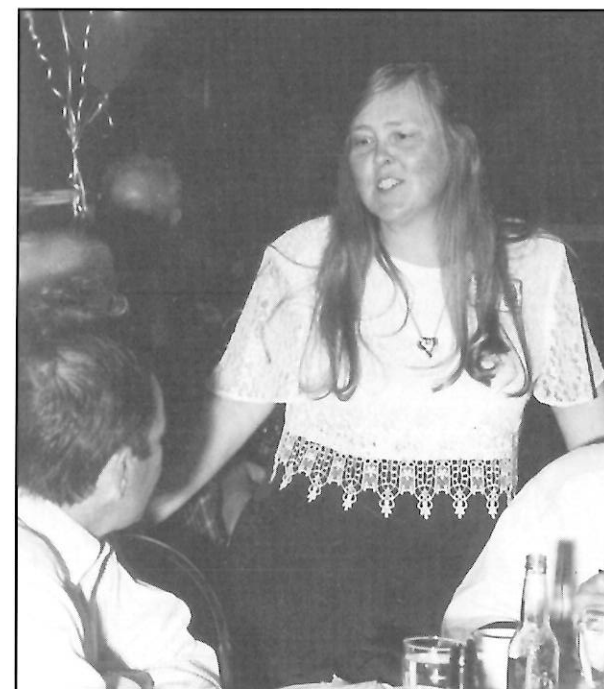

High school is closer to the core of the American
experience than anything else I can think of.
- Kurt Vonnegut, Jr.

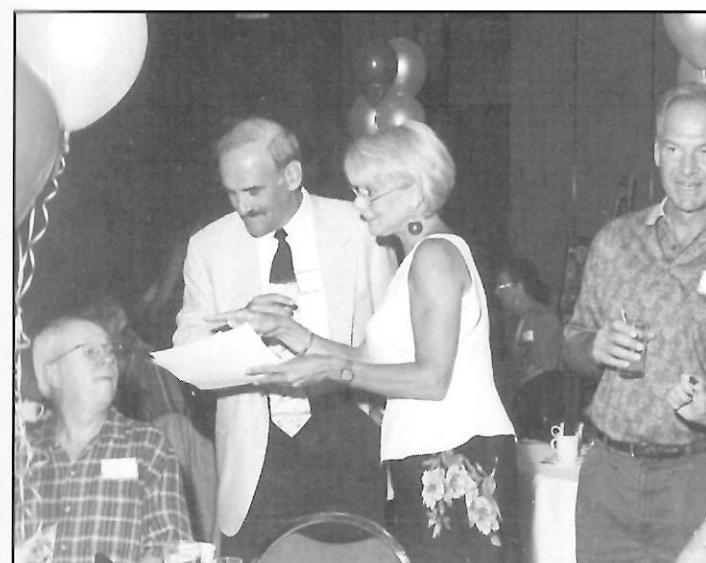

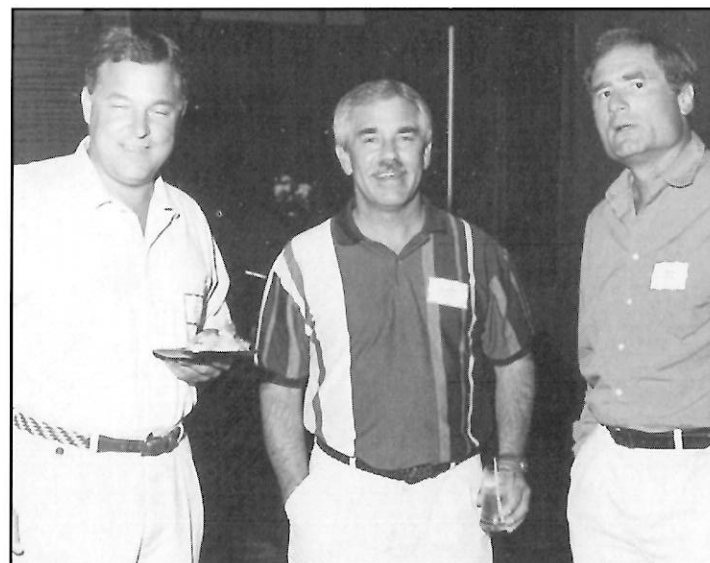

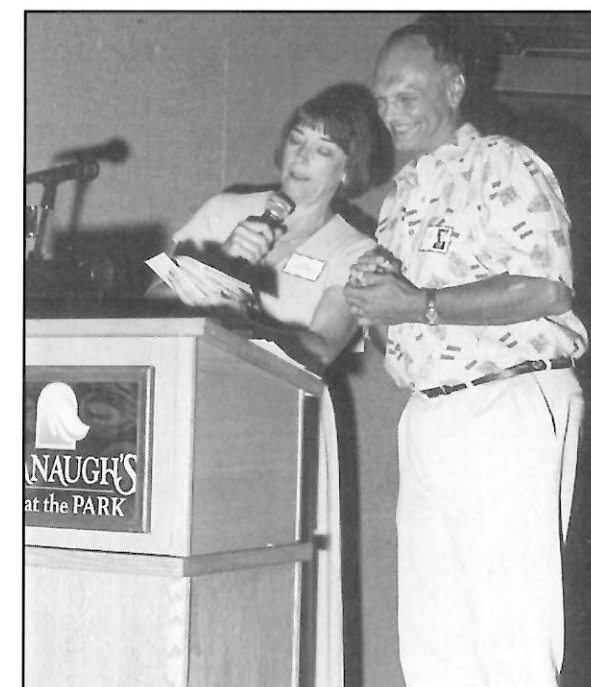

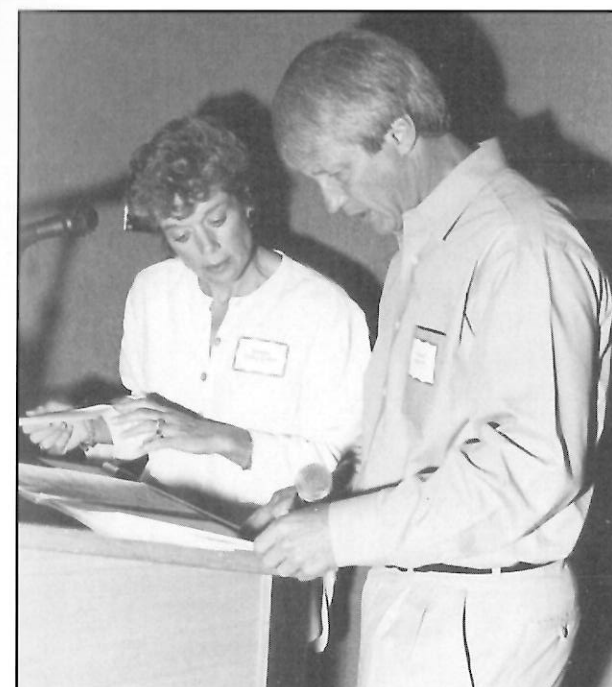

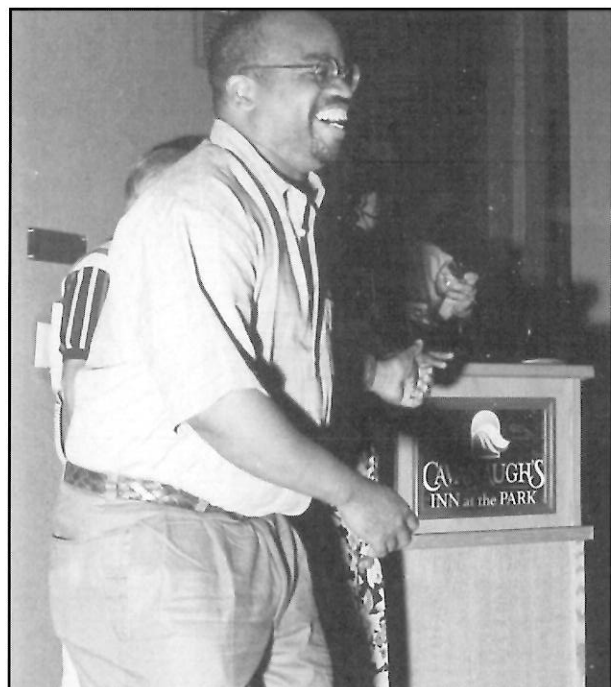

High school isn't a time or place. It's a state of mind.
- Frank Zappa

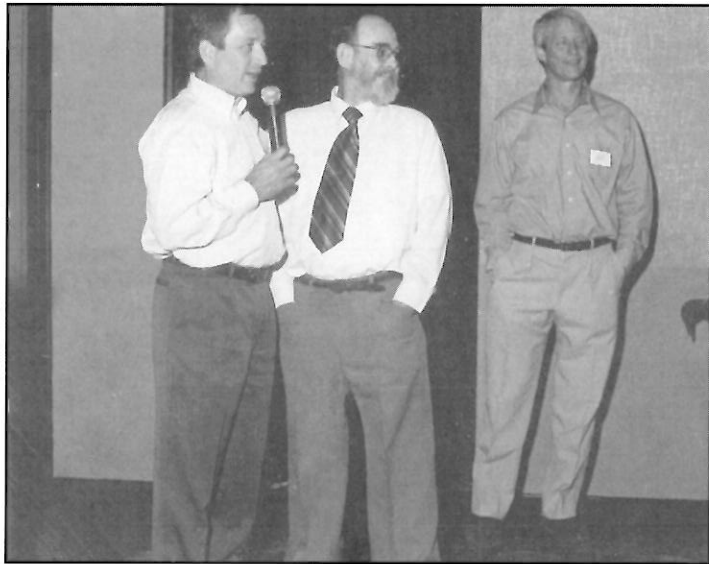

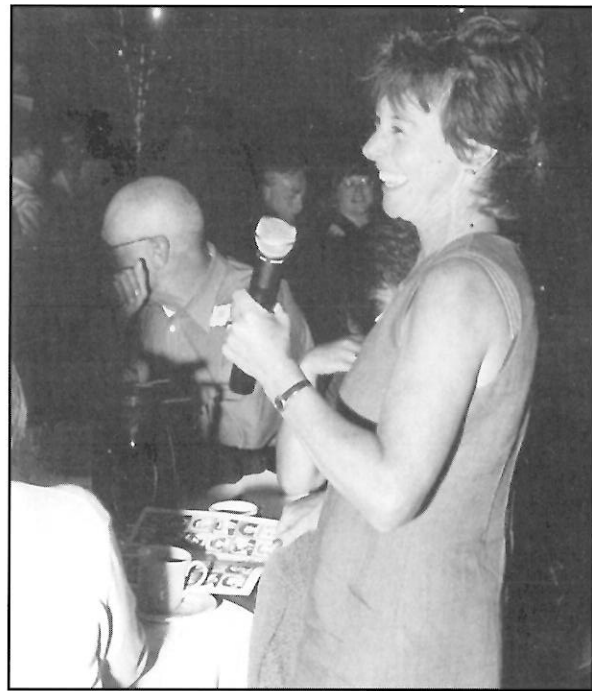

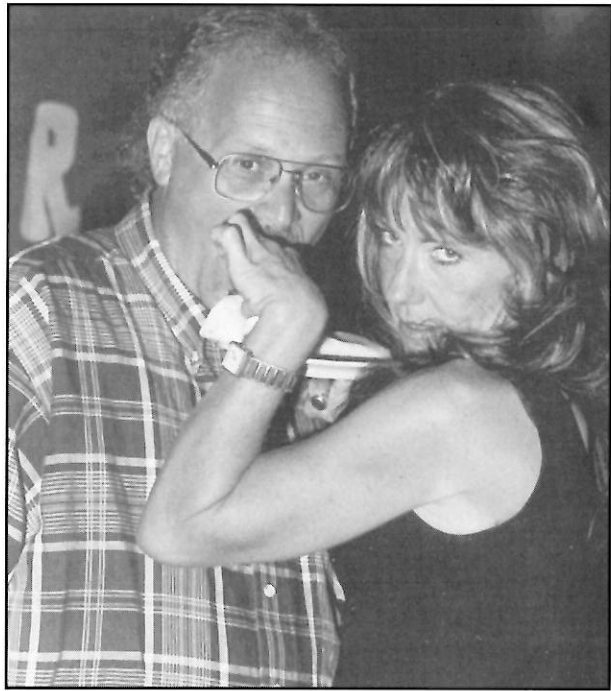

A time of innocence,
A time of confidence.
- Paul Simon

Through our great good fortune, in our youth our hearts were touched with fire.
- Oliver Wendell Holmes, Jr.

Love goes toward love, as schoolboys from their books;
But love from love, toward school with heavy looks.
- Shakespeare
