Could time only stop to capture it longer...  
the few gentle twinklings are only a memory.

“. . . in the Autumn of the year. . .”

The memory of four years spent at a school is at first made up of many vivid details. We are certain that we shall never forget, --the four minute foot races between classes...  
--the crunching of snow under our boots...  
or the pushing and shoving of the outdoor cons.

“ . . .silence fell all around us. . . ”

The rough stone... the polished wood... the trompled walkways...  
this is the physical campus, but not the soul. That is the individuol.

“. . .and we toiled all year long. . .”

Ponds, streets and school all rolled into one complete student life.

Ferris started off with a new coach and needed only spirit and determination to have a winning season. The team provided the spirit and it was evident that all of the games were played with great determination. Ferris beat North Central and made every game exciting and full of action. Every player on the football squad played with great courage. No game is ever won until the last seconds are played out, and all of the other high school teams in the city knew that Ferris is never a "farm club." Dan Jones was awarded a berth on the All-City second team. He was an outstanding player all season.

## For Uncommon Courtesy

## Key to the Future

Key Club is starting its fourth dramatic year at Ferris. This worthwhile club is an all boys service organization sponsored by the southside Kiwanis. Some of the projects include the Canned Food and Paperback Book Drives. Tradition is being set at Ferris with the annual Key Heart Dance where Pam Hogsett was crowned Key Heart Queen.

Every Courtesy girl not only memorized the motto-"They are always there to help"-but she practices it. This year Ferris students and their visitors are forever seeing these Courtesy girls with their bright, smiling faces. They are always helping out at such various activities as school plays, concerts, office jobs, and P.T.A. events. A Courtesy girl truly does live the Motto.

A THOUSAND  
CONGRATULATIONS!!!

Count them if you like. They come from your thousand friends—the people who make up the Washington Water Power family.

A year, ten years, maybe thirty years ago, each of us passed the milestone you have reached. For us it preceded our entry into the world of private business and public service.

Our careers have, for the most part, been constructive and satisfying.

We sincerely wish as much for the graduates of 1968!
