JOEL E. FERRIS HIGH SCHOOL
SPOKANE, WASH. 99203

Vol. 5 — No. 16

Friday, May 3, 1968

WHERE HAVE ALL the school clothes gone? They've disappeared from Ferris because today is Bermuda Day!

Jrs. Attend Conference

A College Conference Day for Ferris juniors was held on Wednesday. Representatives from 24 Washington and Oregon state and private schools presented information on their respective schools.

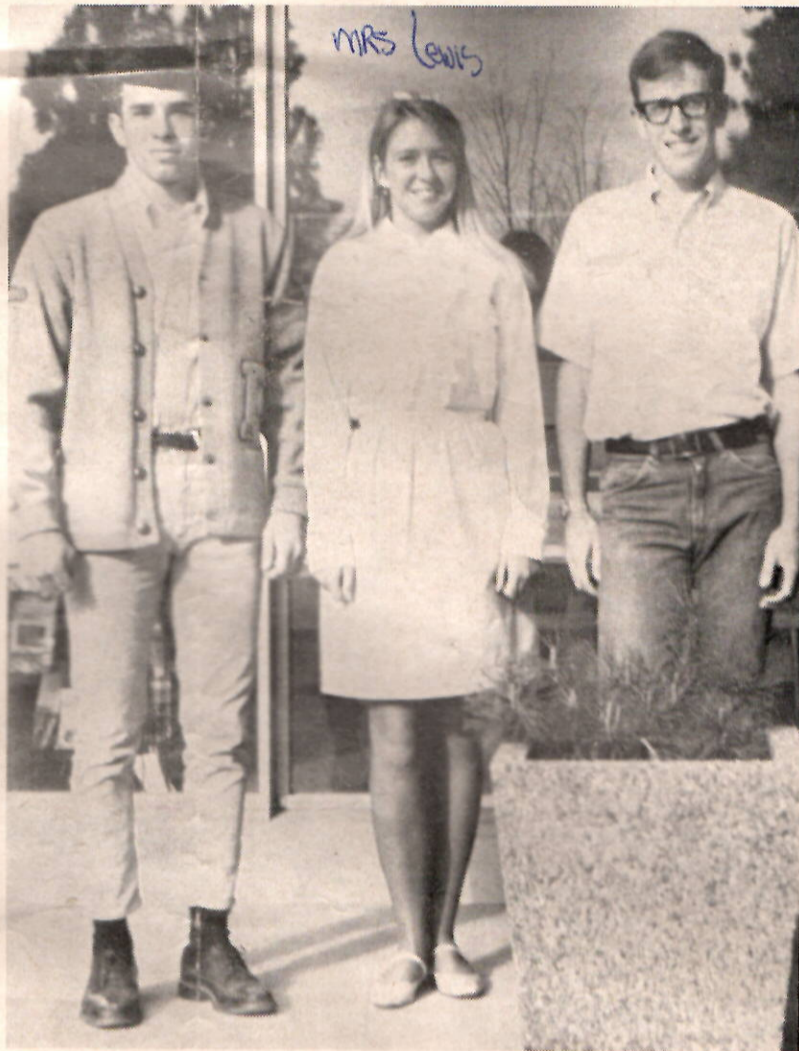

For the students not interested in going to college there was a representative from the Washington Employment Service.

There were two 45-minute sessions at which each student heard a lecture about schools in which they were interested. The last 20 minutes of the lecture were devoted to a question and answer period.

Questions concerning cost, scholastic requirements, financial aids and scholarships were answered.

On Monday one hundred juniors who are interested in attending Spokane Community College visited the Mission Street campus of the college. They visited the applied arts division and went to classes of vocations in which they are interested.

Tomorrow the Washington Pre-College Test will be given to juniors. The cost is \$7.50 which will be paid before taking the test.

GAIL SARCHET, League of Dresden president-elect, stands with Court of Carmine hopefuls Steve Lund and Lionel Seim.

League Picks Gail; Court of Carmine Elections Today

The League of Dresden final elections were held yesterday. Gail Sarchet was announced winner in the presidential race. Court of Carmine final elections will be held this morning. Candidates for offices of both organizations were introduced in separate cons.

Finalists in the League of Dresden election were Marci Chappell and Jamie Sonneland, vice president; Ann Parviainen and Dawn Wilcox, secretary; Karen Folger and Margaret Tsutakawa, treasurer; Sue Larson and Kim Roberts, historian and Tina Feldman and Janet Mohler, sergeant-at-arms.

During the introductory con, a short business meeting was held and the new Girl of the Month was announced. This month's sgirl is Betty Osland, chosen from Courtesy Girls, a League service club.

Finalist candidates for the Court of Carmine election are: Steve Lund and Lionel Seim, president; Tom Green and Tim Vawter, vice president; Take Gibb and Pat Malone, secretary and Alex DeLaPena and Kevin McVey, treasurer.

Awards were given at the con to senior boys with outstanding grade point averages. The awards were scholarship achievement pins and certificates.

Receiving these awards were: Gary Ayers, Doug Baker, Jeff Breckel, Bruce Cromwell, Roger Feldman, Doug Huneywell, Andy Koss, Bill Myhre, John Snyder and Tim Wisecarver.

Lilac Festival Week Full Of Activities

Many different and interesting events have been scheduled for Lilac Festival Week, which is from Saturday, May 11, to Sunday, May 19.

Saturday at 10 a. m. the Junior Lilac Parade will be held. Drill Team Competition and Pageant of the Flags will take place at the Coliseum from noon to 9 p. m. A Spokane River five-mile Skin Divers Race will be held at 2 p. m.

The annual Spokane International Airport "Open House" will be on Sunday from noon to 5 p. m. The Championship Bicycle Races will take place at Manito Park from 11 a. m. to 3 p. m.

At 1 p. m. on Monday the past presidents of the Associated Garden Clubs of Spokane are holding a luncheon and style show at the Davenport Hotel. The All-City Grade School Band will give a concert at 7:30 p. m. in the Davenport Hotel.

Wednesday, Thursday, Friday and Saturday are the days for the Lilac and Spring Flower Show in the Finch Arboretum. Wednesday the show is open from 1 p. m. till 4 p. m., Thursday from 11 a. m. to 4:30 p. m., Friday from 11 a. m. to 9 p. m., and Saturday from 11 a. m. to 4 p. m.

Thursday the All-City Luncheon will be held at noon in the Davenport Hotel and that night the Torchlight Parade will wind its way through the city streets. Twenty-five lighted floats will enhance the beauty of this parade.

The American Indian Teepee Village will be set up at Franklin Park from noon till 10 p. m. on Thursday, Friday and Saturday.

On Friday, the Armed Forces Luncheon will be held at noon at the Davenport Hotel. At 12:30 on the same day, the Queen's Royalty Luncheon will be held at the Ridpath Motor Inn. The President's Reception and Banquet will also be at the Motor Inn at 6:30 p. m.

The traditional Armed Forces Parade will start at 10 a. m. on Saturday. Sixty-five floats and 40

bands are scheduled to be in the parade. From noon till 8 p. m. the Lilac City Open Olympic Lift and Physique Contest will be held at the Y. M. C. A. The Inland Empire Salute Luncheon is scheduled for 12:30 p. m. at the Ridpath Motor Inn.

Sunday, on the final day of the Lilac Festival Week, the Spokane Inboard Races will be held at Newman Lake at noon. From 1 p. m. to 6 p. m. Fairchild Air Force Base is having an "open house" and will be showing the latest in equipment and airplanes. The Speedway races will start at 3 p. m. at the Interstate Fairgrounds.

Other events scheduled outside of the Festival Week are: the North American Air Defense Command Band which will present its famous "Cavalcade of Music" on May 10 at 8 a. m. in the Gonzaga University Kennedy Pavilion and the Titan II Missile walk-through exhibit will be presented at the Shadle Park Shopping Center May 8 through 14.

BOYS PLAN DAY, NIGHT AUTO RALLY

The Court of Carmine will sponsor a day and night Car Rally today, with starting times at Ferris from 4 to 6:30 p. m., for the day rally and 7 to 9:30 p. m., for the night rally.

Tickets are on sale at \$1.50 each with trophies for the first and second division winners.

Tickets may be purchased from Chuck Daiger, Doug Baker, Steve Lund, John Hanson, Neil Dennie and Jeff Anderson.

Some of the course includes parts of Indian Canyon and the Riverside State Park.

There were only 90 tickets on sale.

Teachers Seek Help In Listening Lab

Foreign Language teachers are in the process of selecting people who are interested in working in the language laboratory next fall.

Students need to exhibit maturity and a desire to work around electronic equipment.

The Chief Student Assistant has primary responsibility under the teachers for the language laboratory and its operation. Assistants also have the language teachers' authority backing up their "just" actions. Those students who show outstanding ability and achievement receive a grade and one-half credit.

An introductory training class for new assistants will be conducted this Spring after interested students submit their applications and are accepted.

The language teachers have applications. It is not essential that an applicant have a foreign language. There is a need for 20 or more assistants.

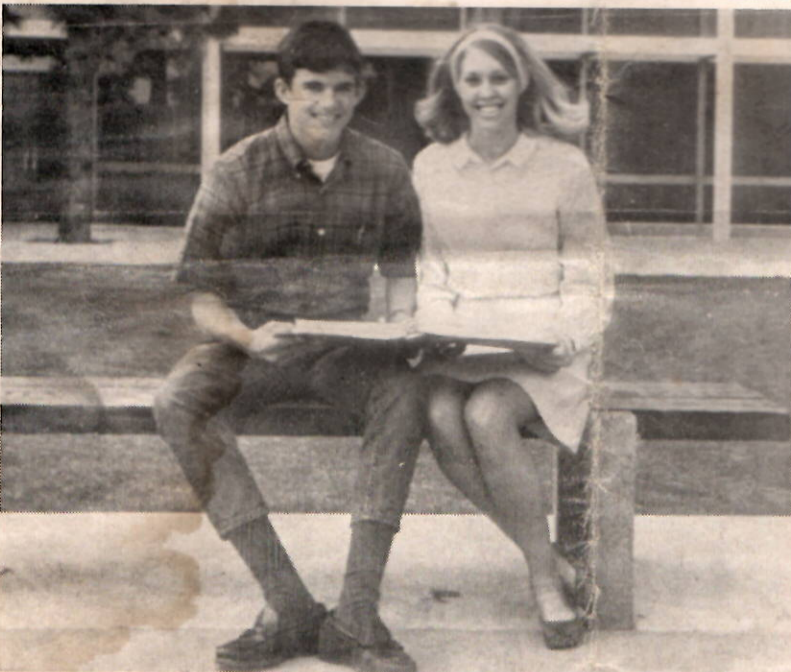

1968 Senior Prom Slated For May 10

The 1968 Senior Prom, "And There Were Dreams," will be presented by the Senior Class, May 10, at the Fort George Wright Commons.

Committee chairmen for the prom are: Connie Olson and John Sears, general chairmen; Marsha Williams and Bob Merck, tickets; Colleen Tiede and Christi Irwin, decorations; Carol Lambert and Laurie Huber, refreshments; Ken Krebs, pictures; Steve Moss and Trudy MacGregor, music; Debbie Brown, publicity and Tricia Dibblee and Pam Hogsett, chaperones.

Tickets for the prom are now on sale in the business office at \$3.25 per couple.

Music will be by the Rotations.

CO-CHAIRMEN John Sears and Connie Olson look over plans for the upcoming Senior Prom.

Headliners

May 3 — Bermuda Day. C. of C. car rally. Court of Carmine elections.

May 8 — Junior Con.

May 9 — Mother-Daughter Tea at 1 p. m.

May 10 — Senior Prom.

May 11-19 — Lilac Festival.

May 15 — A.S.B. Installation Con.

Juniors Prepare For Annual Con

Ferris' auditorium has been buzzing, after hours, two nights a week for the last three weeks with Junior class members rehearsing for the annual Junior Convocation to be presented Wednesday.

The play, entitled "To 69 With Love," is a spy mystery. Kurt Bergeron portrays Agent 69, a British secret agent on a mission located in the Arctic. Other members of the cast are: Syl Lassman, Snowman; Steve Lund, 74; Tim Carlburg, M; Connie Strecker, Tasti Delight; Joni Phelps, Louise LaFlesche; Greg Palmer, Messenger; Jamie Sonneland, Janet Withee, Judy Jacobson, John Sherrick, office girls; John Hart, Jack Nelson, Pat Geiger, Mike Howe, Rick Schroer, Eskimos; Tom Robinson, Dave Daly, Guards; Paul Wilkening, What; Dick Downie, Flunky; Susan Francis, Miss Money Penny; Scott Gamelin, policeman; Candy Frankel, bystander.

Mr. Herb Watson and Mr. Dick Wood are adult advisers.

W. C. Fields Back

"Silent film heroes of bygone days," that is the best way to describe W. C. Fields and Charlie Chaplin. They were seen along with a cast of thousands in the "Senior Flicks," Wednesday.

The 45-minute film came from a firm in Nebraska. There were four movies and the titles were: "The Great Chase," "Circus Slicker," "Floor Walker," and "Face on the Barroom Floor."

LACK OF COOPERATION BECOMING 'SOCIAL DEAD END'; COMMUNITY ACTION COUNCIL, 'DOCTORS' ILLS

(Editor's Note: The following articles pose the problems confronting the Negro in Spokane and offer some suggestions for aiding the poor of every race within this city. The staff of the Saxon Chronicles feels that explanation can be the key to understanding which, in turn, can lead to harmony.)

by Jennie Williamson

Racial tensions do exist in Spokane. Some white residents are unaware of this seemingly obvious fact. This is one of the major reasons why racial conflicts have erupted in so many cities over the past 10 years.

Some white people come in contact with Negroes but many remain ignorant of each other's problems.

In Spokane we have a chance to remedy this situation and perhaps save our city from the chronic disease which is sweeping across our nation, but only with proper knowledge of the situation and adequate response.

Negroes in Spokane have at least one problem in common with black people everywhere. That problem is white racism. White racism is a feeling of superiority to any non-white group which carries over into practice. The white people of the world have the greatest opportunity to help solve this problem.

If one looks at himself in the mirror of his conscience closely enough, chances are he will find that he is prejudiced. No matter how liberal one considers himself to be he is still biased in some way. It is almost impossible to live in our befuddled society and not harbor racial prejudices to some extent.

Once a person accepts the fact that he is prejudiced he must analyze himself. Why is he prejudiced? What does this prejudice do to him and to his victims? If he sincerely looks at prejudice with an open mind he will undoubtedly see that it serves no useful purpose. Sooner or later it begins to control an individual's life. Prejudice is such

a waste of time that it is impractical.

The next step is to rid one's self of this menace. It is necessary to open the mind and heart to every individual without bias; try to see every person from the inside; do not allow what is on the outside to serve as a deterrent. Not only will one find new friends but the individual's own personality will mature because of it.

But it is not enough to just abandon prejudice. One must encourage others to do the same. When a person hears someone else making derogatory remarks about Negroes but says nothing in defense of the Negro people, he has only shown fear. One must have the courage of his convictions.

It is necessary for one to stand up for what he believes in or it does him no good to believe.

One may ask why he must make the first stride forward. White society has rejected the Negro people for centuries and now Negroes are tired of trying to make the first move toward friendship. It's white society's turn.

A person must examine the situation in his own home. He must speak to his parents and other members of his family about his feelings, letting them know just where he stands. But above all he must not let anyone change his mind. If he believes in his heart that he is right he must stick to it.

It is important to keep well informed and to be able to explain ideas concerning new events at any time.

However, the greatest service one can render is in relation to the community. A concerned citizen should make his viewpoints known and strive to win others over to his way of thinking by encouraging open discussions, particularly among young people.

If every individual would improve himself, the job would be so easy. But as it is, the task is left to the few who will undertake it . . . and to them, the reward.

By Chris Anderson

"It's not a question of law and order. We are not concerned with peace. We are concerned with the liberation of black people. We have to build a revolution." Stokely Carmichael stated these words when he was in Atlanta last summer.

He is considered a civil rights leader, but his ways and means are strictly militant in nature.

What can be done to solve the civil rights problem peacefully? What is being done in Spokane to keep riots away from our homes?

There are definite steps being taken in this city to try to help the underprivileged and the needy. There are programs under way to try to eliminate discrimination. The Spokane Community Action Council has the responsibility of coordinating all of the agencies and programs in Spokane into a

driving force that will hopefully eliminate the poverty and the discrimination that is present today.

Poverty is poor housing, lack of employment opportunities, a lack of money that keeps the family out of the stream of American living. Poverty is the elderly living on a marginal income while the cost of living keeps rising. (There are approximately 23,000 such people in Spokane). Poverty is the fatherless family that is having a hard time making ends meet. Poverty is alcoholism, emotional illness and delinquency. These are the things that the Spokane Community Action Council is trying to fight through its many programs.

The total agencies that are a part of the S.C.A.C. and that make up its body include employment security, youth opportunity centers,

churches, public welfare agencies, city, state and federal agencies, private enterprise and vocational rehabilitation agencies.

The total thrust of S.C.A.C. is aimed at creating the means and methods to mobilize resources, human and monetary, that will enable a community to overcome its social problems and to bring the poor of our community into the "main stream" of life.

There are two sides of S.C.A.C. The social services and the neighborhood organizations. In the city of Spokane there are three neighborhood centers.

The East Spokane council is called R.E.A.C.H. (Residents of East Area Combined to Help), the Central council is called C.A.N.D.O. (Central Area Neighborhood Development Organization), and the Northwest council is named N.A.C. (Northeast Area Council).

The council's prime function, according to Mr. Jim Snyder of S.C.A.C., is social action, to provide "a vehicle for creating the opportunity for low income families to participate in our Democracy." They focus on housing neighborhood improvement, job development, employment and park and playground development. Each council tries to involve the community, particularly the low income people, to give them voice decision-making power that will change their lives, bringing better living conditions and attempting to "clean up" neighborhoods.

The S.C.A.C. has four major programs in operation today — the Big Brothers, the Delinquent Prevention Program, the Comprehensive Child Day-Care Center and the Country-wide Head Start program for approximately 800 disadvantaged children.

The Legal Services Program in Spokane County will provide legal aid to low-income families, offering a chance to those who have no idea of law. "The law is an oppressive thing, the law is working against these people," Mr. Snyder points out.

There will also be on-the-job training for about 150 people. The Mid-City Concerns, Incorporated, an amalgamation of six west area churches, has drawn together to make a program available for the elderly in Spokane.

Saxon Senior Hi-lighters

Shelby Gates

Anyone who knows anything knows that Shelby Gates is indeed a "Senior Hi-Lighter." Not to boast, but she seems to accomplish more than the average person. Shelby is senior class treasurer, a certified Ski Instructor and secretary of Dasidrian.

In the past, she was Inaugural Ball ticket chairman, Key Heart finalist and a finalist in the Ferris Lilac princess competition. She went on the People-to-People tour last year.

Despite how busy she might be, Shelby always has one thing on her mind and that is skiing and snow. She calls skiing "the greatest sport there is." Among her dreams is "year around snow."

Shelby had a traumatic experience back in her childhood. At Franklin grade school someone swiped her bike while she was at a Safety Patrol meeting. That's kind of ironic. Shelby's most embarrassing moment at Ferris was

the time she fell down a whole flight of stairs with her books, lunch and coat. She bounced off the opposite wall.

Commenting on Spokane as a home for teenagers she said, "There is a lot to do if you appreciate nature." She says she has too few clothes and too much of a desire for more. Next year Shelby plans to take pre-dental hygiene at Eastern Washington State College.

Jim Breeden

"I was too young to know what to expect," was Jim Breeden's comment concerning his entrance into Ferris five years ago. Many activities are behind Jim, including A.S.B. and Court of Carmine representative in his freshman and sophomore years. He has been on varsity golf for four years and can often be seen on the courses in his spare time.

Jim is now serving as Senior class vice president. He has just recently started snow skiing and he says, "it's pretty bad." For an extra-credit class, Jim has chosen a course in advanced Biology.

Jim always seems to be active, but he said in his spare time he does, "just regular stuff," like watching his pride and joy, a new color television. He commented that his pet peeve was, "getting up on Monday mornings."

He plans to go to the University of Washington and he wants to major in pre-med.

In the future, Jim hopes to "just make it through college."

SENIOR HI-LIGHTERS Shelby Gates and Jim Breeden take it on the lamb.

Faculty Footnotes

Mr. Reid

Mr. Larry Reid, nicknamed "Cupid" by Ferris students, recently made his debut on the stage as narrator of Ferris' Dating Game.

Mr. Reid was born in Chicago. He made the scene at North Central High School in Spokane and was graduated from Whitworth College.

At Ferris he is a member of the renowned United States History team. Needless to say, he coaches varsity basketball.

One of his favorite night spots in Spokane is the Coliseum . . . except during basketball season.

A very heart-warming moment in Mr. Reid's life was the time when his basketball team beat Lewis and Clark 51-50 this year. Rah, Rah Cupid!

Among his hobbies is learning how to fly, which he hasn't initiated yet. Mr. Reid hopes to build his own plane some day. He said, "It will be a small one passenger plane so that when it crashes I'll be the only one to go down."

When asked what are some of the things he "digs" Mr. Reid replied, "Keeping Casanova Kingsland in line." Commenting on Mr. Reid, Mr. Kingsland said, "I've been having increasing trouble keeping that fat rascal in line. He has no respect for his elders."

What's to be done about those two?

PTA Elects Officers; Ferris Clubs Busy

The last regular P.T.A. meeting was held April 23. Election of officers, a program to honor Mr. Blauert and a Physical Education demonstration took place.

Newly elected officers are: Mr. Ralph Glass, president; Dr. William Trefry, vice president; Mrs. Roy Zeller, secretary; and Mr. Victor Pearson, treasurer.

League Helps

On Wednesday, the League of Dresden helped bring "May Day" to two nursing homes. The League officers took May baskets to City View and Summit View nursing homes after school.

Valkyrs Initiate

Recently chosen Valkyr Initiates were announced at the League of Dresden Introductory Con April 23. New members are: Sherry Brandt, Pat Bunday, Marcy Clark, Sharon Dullanty, Tina Feldman, Becky Gustafson, Melissa Harvey, Princess Howard, Kathy Kessler, Ellen Matsumoto, Pam Merritt, Tori Oakley, Trish O'Brien, Mary Partch, Becky Potter, Chris Probert, Barb Rankin, Kim Roberts, Sue Rooks, Patsy Routt, Judy Sanford, Nancy Forester, Sandy Dotson and Joan Westover.

NEW CHEERLEADERS ANNOUNCED recently are, from left to right, Deneice Little, Joni Phelps, Gail Sarchet, Linda Smith, Laurel Prater, Marcia Pearson, Sue Black and Sue Skredsvig.

Students Enter Art Festival

The Art Department is a busy place this month with students preparing their work for the Downtown Art Show, Senior Studio shows, and the Greater Spokane Art and Music Festival.

First on the calendar is the Art and Music Festival on May 4, 5 and 6. Art work for the festival will be displayed at the Women's Club and the Lincoln Bank. Entering Senior Division are Curt Hansen, Bob Mincks and Roger Feldman. A prize of \$40 will be offered. Other students will be entering oil, ceramics, jewelry and drawing. There will be a \$1000 prize given to the best participant in the entire festival, which includes music students.

Lincoln School is the site for the

Downtown Art Show to be held the week of May 8 through May 17. On May 10, there will be demonstrations by students, showing methods used in various projects. Those participating from Ferris are Steve Isaacson, pot throwing; Dary Thompson, oil; Gary Wilson, clay and Diane Imai, water color. Also, Sue Bangart, oil; Bruce Haidle, lithography and Darrel Buteau, mobiles. The demonstrations are to be held in the Parkade Plaza.

Also on the agenda are the one-man shows to be presented by the members of Senior Studio. These dates will be announced in the future. The shows are a requirement of the course. The work of these students will be for sale.

SHADLE CENTER UNIVERSITY CITY 30TH AT GRAND

Ferris Track Team Rules City

The Saxon trackmen took a third place trophy home with them after competing against sixteen high schools from around the Northwest. Many of the trackmen earned themselves a trophy for placing in a certain event.

Larry Goncalves brought home two trophies. Both were first place trophies for the 220 and 100. Wayne Sepolen took home a first place trophy for the broad jump and set a new meet record in the process.

Sophomore Randy James took home a second place trophy in the two mile run. Brett Smith went away with a third place trophy in the 120 yard high hurdles. Andy Lofton took a third place trophy in the hop, skip and jump, a relatively new event for him. Larry Hone took home a second place trophy in the shot put, being beaten by a fellow from Oregon. Louis Crawford, Andy Lofton, Doug Gable, and Tom Robinson went away with a second place trophy in the medley relay.

Ferris 80½, Rogers 37½

Again the weather was against the Saxons as they strolled to another victory, defeating Rogers 80½-37½ at Hart Field. Even against the cold, wind and snow many outstanding marks were made. Larry Goncalves ran the 100 in 10.1 with Wayne Sepolen right

behind him with a time of 10.3. Goncalves, Sepolen and Jim Fisher took first, second and third in the 220 respectively.

Duane Teurke went 5-8 in the high jump to take the first position.

Randy James took the two mile in 9:45 with Tom Robinson seconds behind. Andy Lofton took first in the low hurdles with Brett Smith taking second. Dan Jones went 13-0 in the pole vault followed by Buff Bankey at 12-9. Wayne Sepolen broad jumped 22-2½ followed by Andy Lofton and Bill Poindexter. Larry Hone threw the shot 53-8¼ to take the first position there.

Saxons Break Two City Records While Defeating LC 73-45

In the Saxons' final dual league meet of the season at Hart Field the weather cooperated with them and helped them to a 73-45 victory over the Lewis and Clark Tigers. In the process two city records were broken. Wayne Sepolen broke his old city record of 23-4½ three times before he ended up with a final jump of 23-11¾. Wayne also added points to the Ferris victory, taking second in the 100 and 220. He also helped the 880 relay team make a victory.

The other record broken was by Larry Goncalves who flashed to a 22.2 in the 220. The old record was held by Dan McMackin of Rogers in a time of 22.3 set in 1965. Larry also might have set a new record in the 100 but a bad start gave him the first position in 10.0. Larry also added points to the Saxons' score running anchor man in the 880 relay.

Louis Crawford battled against Bill Etter in the 440 for over three fourths of the race before Etter edged ahead giving Louis second place. In the mile, Ed Roff took second right behind first place Sonny Anderson of L. C. In the two mile Randy James stayed with Phil Burkwist of L. C. for over five laps until Burkwist slowly edged

away from Randy. Brett Smith was right behind Jim Ivory of L. C. in the high and low hurdles taking second in both events.

Duane Teurke set a new high school record in the high jump. He went 5-11 to outjump Jim Ivory and Tom Greene both from L. C. Buff Bankey and Dan Jones both went 12-6 in the pole vault to take first and second in that order. Jim Couey set a new City B-squad record in the pole vault with a 12-6 vault. Larry Hone threw a season best in the shot put with a throw of 54-4. Both the 880 relay and mile relay were the city's best this season as they defeated both of L. C.'s relay teams.

Saxons Look Toward City Meet and City Crown

The defending City Champions look toward the upcoming All-City Track Meet and toward another city crown today at John Rogers High School. They will also be looking forward to breaking more city league marks this afternoon. They now hold five city records, more than any other school in the city league.

The city championship is based upon the amount of points a team has after the All City Track Meet. During the season, two points are given toward the winner of a dual meet and zero points given to the loser. Since the Saxons are 5-0, they have ten dual meet points. The closest teams behind Ferris have six dual meet points. Points awarded at the All City Meet are awarded to the place the team takes. They are 6-5-4-3-2-1 for each place represented. That means the Saxons could take a fourth place at All City and still bag the City Championship.

FERRIS WHEELS

REFLECTING ITS BEAUTY in silver gray form is Kim Anderson's 1957 Chevrolet 2-door Sedan. Mounted on four silver mags, Kim's car is powered by a "1967 Corvette" 327 cubic inch 365-horsepower engine with a 3-speed Hurst linkage transmission and dual Mitchell exhausts. Kim's car also includes a black naugahyde interior, a customized steering wheel and for added pleasure, a stereo tape. Asked about a comment on his car, Kim replied, "It's for sale."

Saxon Sportlite

Washington's best time in the hundred yard dash this year has been posted by an outstanding Senior athlete by the name of Larry Goncalves. Larry's name is not new to the sports page, however, as he is well known for football achievements, also.

Edison Grade School claims Larry's early years in track and baseball. At Libby he was homeroom vice president and was an avid trackster in the spring along with wrestling during the winter months. During his Sophomore year at Ferris, Larry participated in varsity track and B-squad football. As a Junior, he took over at varsity flankerback for the football team along with running a 22.4 in the 220 for the track team.

This year has been his best yet. He has gone 9.6 and 9.9 in the hundred yard dash along with a 22.5 in the 220. Also, Larry scored several touchdowns for the football team including a 92 yard kick-off return against Gonzaga.

Larry plans to work this summer and is considering both Washington State and Idaho next year to further his education. Larry's favorite class is 3/D art and his favorite teacher is Mr. Zollars. His biggest gripe is that "my girl friend can't go to the prom with me."

When asked what he thinks about our chances at the State track meet in Pullman, Larry said, "as a team I think we should place very high."

By O'Brien

Spring fever has arrived! Sports enthusiasts from all over are going wild; Baseball season is underway and already bets are being placed on who will win the pennant.

The tennis courts are alive with the hum of flying tennis balls and golfers are mounting their straps to their bags and heading out for Indian Canyon.

Boats are being launched and the skiers are flocking to the lakes. Spring snow skiing, due to popular request, is still here.

Convertible tops have dropped and everyone is having a real ball. If the weather holds up, it looks like a great summer for all of our outdoor experiences.

Big news around Ferris, however, is the track team that has won sixteen straight dual meets, the Mooberry Relays, the city championship and, undoubtedly, will easily defend it this year.

It has been a long time since anyone has even come close to beating this agile outfit.

Golf Coach Herb Watson was overjoyed as his team knocked off Shadle Park and took over sole possession of first place in the city league.

Netters Look Good; U-Hi To be Next Foe

The varsity tennis team has compiled a record of four wins and one loss. The net minders opened their league season by downing Rogers 6-1, shutting out Gonzaga 7-0, losing to Shadle 7-0, beating West Valley 4-3 and crunching North Central 4-3.

Coach Leonard Hunt pointed out that our strength lies in our balanced team. He commended Shadle commenting: "Shadle is outstanding. They have great depth in their team."

The Saxons' next match is this Tuesday against University.
